The undersigned, Secretary of State, has the honor to lay before the President, with a view to its transmission to Congress, copy of a communication from the president of the Louisiana Purchase Exposition Commission, furnishing, in pursuance of section 11 of "An act to provide for celebrating the one hundredth anniversary of the purchase of the Louisiana Territory," etc., approved March 3, 1901, a statement showing the receipts and disbursements of the Louisiana Purchase Exposition Company for the month of December, 1903.

2 RECEIPTS AND DISBURSEMENTS OF LOUISIANA EXPOSITION.

NATIONAL COMMISSIONERS, LOUISIANA PURCHASE EXPOSITION COMMISSION, *St. Louis, January 29, 1904.*

SIR: As required by the act of Congress, making an appropriation for the Louisiana Purchase Exposition, approved March 3, 1901, I have the honor, for and on behalf of the Commission, to transmit a statement of the receipts and disbursements of the exposition for the month of December, 1903, as shown by the report of the treasurer of the exposition company, forwarded by Walter B. Stevens, secretary.

It is obvious that the company must negotiate a loan of not less than four and one-half million dollars to meet all obligations connected with the work, prior to the opening of the gates on April 30.

It is the announced intention of the management to apply to Congress for the required amount, to be paid back from the gate receipts. Failing in the proposed appeal to Congress the loan will be sought elsewhere.

Very respectfully, your obedient servant,

THOS. H. CARTER, *President.*

The PRESIDENT OF THE UNITED STATES.
